

Substation Permit and Licence 26910-D03-2021

Appendix 2 to Decision 26910-D01-2021	November 3, 2021
RES Forty Mile Wind GP Corp. Forty Mile 516S Substation Ownership Transfer and Time Extension	Proceeding 26910 Application 26910-A002

BHEC-RES AB Renewables GP Corp., pursuant to Approval 25915-D02-2021,¹ has approval to construct and operate the Forty Mile 516S Substation. The completion date for the construction of the substation was stipulated to be on or before December 1, 2021.

RES Forty Mile Wind GP Corp. (RES), by Application 26910-A002, registered on October 14, 2021, applied to the Alberta Utilities Commission for approval to transfer the ownership of the substation from BHEC-RES AB Renewables GP Corp. to RES, and to extend the construction completion date of the substation to December 31, 2023.

The Commission, pursuant to sections 14, 15 and 19 of the *Hydro and Electric Energy Act*, approved the application in Decision 26910-D01-2021² and granted to RES a permit to construct and a licence to operate the substation, subject to the provisions of the *Hydro and Electric Energy Act* and the *Alberta Utilities Commission Act*, any regulations made under the acts, any orders made under the acts, the Commission rules made pursuant to the *Alberta Utilities Commission Act*, and the following terms and conditions:

1. The substation shall be wholly located in the northeast quarter section of Section 7, Township 10, Range 9, west of the Fourth Meridian.
2. Specifications of the substation shall include the following:
 - (a) three 230/34.5-kilovolt (kV), 90/120/150-megavolt ampere (MVA) transformers
 - (b) four 240-kV circuit breakers
 - (c) five 240-kV disconnect switches
 - (d) one control building
 - (e) it shall be enclosed within a secure fence and include other substation equipment as described Application 22966-A01 and other previous approvals pertaining to the substation

¹ Substation Permit and Licence 25915-D03-2020, Proceeding 25915, Application 25915-A001, October 26, 2020.

² Decision 26910-D01-2021: RES Forty Mile Wind GP Corp. – Forty Mile Wind Power Project Ownership Transfer and Time Extension, Proceeding 26910, Applications 26910-A001 and 26910-A002, November 3, 2021.

3. RES shall file with the Commission within 30 days of completing the substation, the energization certificate(s) for the substation issued by RES to confirm that the substation has been completed and is being operated in accordance with the provisions of this permit and licence.
4. Unless otherwise authorized by the Commission, construction of the substation shall be completed by January 31, 2024.

Permit and Licence 25915-D03-2020 is rescinded.

The Commission may cancel or suspend this permit and licence, in whole or in part, in accordance with Section 41 of the *Hydro and Electric Energy Act* or may review this permit and licence, in whole or in part, upon its own motion or upon an application by an interested party, in accordance with Section 10 of the *Alberta Utilities Commission Act*.

The Commission may, no later than 60 days of the date of this permit and licence and without notice, correct typographical, spelling and calculation errors and other similar types of errors and post the corrected approval on its website.
